OUR CLUB

As the Chair of the Mini Junior Section of Scunthorpe Rugby Club, I am delighted to introduce our vibrant and growing community of young players.

Our section is celebrating our 50th year in 2026, we are proud to have had 50 years of being dedicated to nurturing the talents and passions of children aged 6 to 16, providing them with a safe, fun, and supportive environment to develop their rugby skills and teamwork. The teams are ran with fantastic support from over 65 volunteers who believe in the power of sport to instill the RFU values of teamwork, respect, enjoyment, discipline and sportsmanship which are essential both on and off the field.

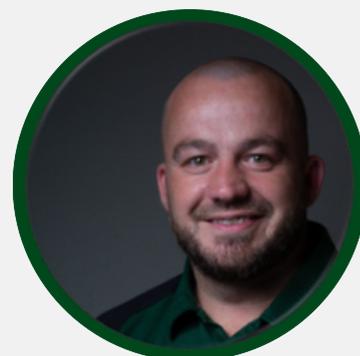

Our teams participate in numerous local and regional fixtures, offering extensive exposure for our partners. By joining us as a sponsor, your business will not only support the development of future rugby stars but also gain visibility across Nottinghamshire, Lincolnshire, Derbyshire and Yorkshire. Your brand will be prominently featured ensuring recognition by a broad audience of families, local communities, and potential customers.

We are committed to building strong, mutually beneficial partnerships that contribute to the success of our young athletes and the growth of your business. Together, we can create a positive impact and foster community spirit. Thank you for considering this exciting opportunity to support Scunthorpe Rugby Club's Mini Junior Section.

"Our mission is to provide a high quality experience to children through Rugby while embracing the core values of the game.....TREDS!"
